

**James Rayner**  
**Board director, Broadway Malyan**

James Rayner leads the architectural practice's international masterplanning team. He has over 20 years' global experience in the urban planning and design of complex developments across a full range of sectors, scales and challenges. His expertise is in developing creative solutions to urban planning and urban design strategies as well as concepts for new developments with a particular emphasis on placemaking and the delivery of long-lasting, liveable and integrated cities and communities.

Rayner has worked on a number of major transit-orientated developments in a range of countries including the UK, Africa and Canada.
